HELP GIFT BE A FUND THAT KEEPS ON GIVING

Gift of Identity Fund grants are dependent on donor support. People donate to causes they understand and value.

Through stories they share, grant recipients are uniquely able to explain the need for The Gift of Identity Fund to donors. Story sharing occurs between grant recipients and Gift of Identity Fund representatives (and sometimes TIES staff) through 1) conversations before and after the journey, 2) photo and video sharing from the journey, 3) written testimonials and 4) other creative/reflective outlets.

Grant recipients' stories help donors understand the need for and impact of The Gift of Identity Fund. Thanks in advance for sharing yours!
